

BEKA RUBBER

Flooring that meets your needs

Technical Data Sheet: BeGreen Active
Revision: Feb 2023

BeGreen Active

Welcome to our vision!

Our **BeGreen Active** tiles bring together a superb combination: the aesthetic result provided by artificial turf with the soft cushion of a rubber tile.

BeGreen Active tiles have been designed in order to offer an outstanding green area at a backyard or a green zone in a personal gym. Transform your place in less than 1 hour.

Imagine a maintenance-free green zone easy to set, without any installation costs.

COMPOSITION

Recycled SBR Rubber, MDI polyurethane bonding agent, Artificial grass.
