Flooring that meets your needs

Technical Data Sheet: BeGreen Deco
Revision: Feb 2023

BeGreen Deco

Our **BeGreen - Artificial Turf Rubber Floor** brings together a superb combination: the aesthetic result provided by artificial turf with the soft feeling of a rubber tile.

Our new **BeGreen Deco** tiles have been designed so you can easily prepare a very good-looking area while you have increased safety for the kids.

Just imagine a maintenance-free garden that you will be able to set very quickly, without any installation cost.
